

EARLINGTON SCOUTS FORMALLY ORGANIZED

Two Patrols Formed—Their Officers Elected and Tests Applied

SQUAD OF SCOUTS FROM
MADISONVILLE MAKE BOYS
A FRIENDLY VISIT

The Earlinton Boy Scouts were formally organized at the Armory last night, seventeen young enthusiasts present getting a good start under auspicious circumstances. A feature that added much interest and zest to the work of the evening was the visit of Mr. Watkins, Y. M. C. A. Secretary, of Madisonville, Scout Master of the Scouts of that place, accompanied by ten of his scouts, who came over to give the local organization the glad hand and cheer them on their way. After the meeting the Madisonville Scouts bided home in spite of the threat of rain.

Eighteen boys are enrolled and two patrols were organized last night, each patrol electing their officers by secret ballot in the approved form. These patrols, with the names chosen and the officers elected are as follows:

Wolf Patrol: Kenneth Nisbet, Patrol Leader; Earl O'Bannon, Assistant Patrol Leader; Carl Davenport, Wallace Clark, Monon Oldham, Herman Boyd, Rex Hamby and Herbert Brinkley.

Red Trailers Patrol: Paul M. Moore, Jr., Patrol Leader; Howard Arnold, Assistant Patrol Leader; Charlie Hodges, Guthbert Vinson, Jack Whitford, Ernest Boyd, ney Deshon, Tom and Carl Umstead, Harry Henry Rogers is Scout Master and Rev. Howard J. Brazelton, Assistant Scout Master. Council: Geo. H. Bates, F. D. Rash, F. B. Arnold, N. W. Umstead, and J. M. Oldham.

The purpose is to increase the enrollment by the usual Boy Scout procedure, new members to be elected by those now enrolled. Many of the boys were last night able to stand the tests necessary for recognition as a "Tenderfoot", such as describing the badge and its meaning, telling important facts about the flag, tying knots, etc., and they went through these tests with much enthusiasm. Another meeting will be held tonight.

Credit for the inauguration of this movement is chiefly due to Mrs. J. B. Arnold, who has been much interested in the scout movement for some time, and most of the boys in the initial enrollment are members of her Sunday school class.

McLEOD STORE OPENING

Threw Open Doors to Public Tuesday—Large Crowds Attend

The McLeod Store threw open its doors Tuesday afternoon and evening with a magnificent opening for their friends and patrons. Each department complete and arranged in artistic display with an abundance of lovely flowers and potted plants. Numerous floral designs were contributed to the different departments.

It was the intention of the proprietors to have a public reception reciprocating their appreciation of the past, and start their new business home in a manner to be remembered by their friends. Their efforts proved to be a most wonderful success, having thousands of visitors who were registered at the door, shown through the different departments by representative, friends and employees, where they were served refreshments and given flowers and souvenirs.

The first aisle was draped in a gorgeous showing of this seasons floral baskets, tied with pastel ribbons giving a most beautiful effect.

In the shoe department large bowls were filled with ice cream punch served from a decorated stand, giving a most beautiful entrance into the Ready-to-Wear the pride of the store.

This department was a perfect bower of loveliness with masses of palms and ferns reflected by numerous mirrors and connected with a lovely suite of altering and dressing rooms conveniently adjoining the ladies rest room made comfortable and attractive for all who visit this complete store. Their office department is equipped with all modern appliances and is situated on the mezzanine floor. The second aisle consists of gentle furnishings with all accessories. This part of the building is very attractive with modern clothing cabinets and hat cases; here thousands of visitors enjoyed the sweet music that floated from a balcony arranged for the orchestra. Arches connect the grocery department where demonstrations were given of Sun Shakes and Capitol Blend Coffee.

The second floor had a complete showing of furniture and carpets with many large office rooms to the front. The chief feature of the evening's amusement was the giving away of the \$200.00 coat suit which was drawn by Mr. Stanley R. F. D. Mail Carrier. Mr. Frank D. Brown won the \$500 shoes and Mrs. Earl Stone a \$3000 car Capitol Blend Coffee.

It was very gratifying to the managers and those who assist in the store to see their friends so well pleased and hear the many remarks of appreciation.

It is one of the most beautiful as well as complete store buildings in Western Kentucky and occupies the entire McLeod Block on South Main Street where Mr. E. G. McLeod was formally in business for many years, and appreciated having his friends with him to celebrate the largest public reception ever given, and grateful to enjoy the grandest event of his long business career.

A Correction

In the article regarding the Davis-Morgan trouble the Bee said Harvey Parker was present. This was a mistake and should have read Gordon Parker, as Harvey was out of town.

"The Telephone Girl"

The telephone girl sits still in her chair And listens to voices from everywhere, She knows all the gossip, she knows all the news, She knows who is happy and who has the blues, She knows all our sorrows, she knows all our joys, She knows all the girls who are chasing the boys.

She knows all our troubles, she knows all our strife, She knows every man who talks cross to his wife, She knows every time we are out with the boys, She knows the excuses each fellow employs, If the telephone girl told half that she knows, It would turn dearest friends into bitterest foes.

She could start a small wind that would soon be a gale, Inguish us in trouble and land us in jail, She could start a story which gaining in force, Would cause half our wives to sue for divorce, She could get all the churches mixed up in a fight, And turn our bright days into sorrowing night.

In fact she could keep the whole town in a stew, If she told but one tenth of the things she knew, The nightly appointments and half spoken things, That speed over the wire when the telephone rings.

Say, boys don't it make your head whirl, When you think what you owe to the telephone girl?

When the medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loat sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by All Dealers.

Who Can Doubt Sworn Testimony of Honest Citizens?

Some time ago I began the use of your Swamp-Root with the most remarkable results. For years I was almost a wreck and was a great sufferer. The doctors who treated me made me believe that my great sufferings were due to female trouble. I was so bad at times I would faint and had sinking spells. Finally a new doctor was called in and he said that I had kidney trouble and gave me medicine, of which I took several bottles. I obtained some relief from this but I was getting weaker all the time. I could not sleep and suffered so much pain that my husband and children had to lift me in and out of bed. After this time two friends sent me word to try Swamp-Root, which I did, and I am glad to state that the first dose gave me great relief. After taking a third

Women

From Forty-Five to Fifty Are Much Benefited
by
Lydia E. Pinkham's Vegetable Compound.

The "change of life" is a most critical period in a woman's existence, and the anxiety felt by women as it draws near is not without reason.

When her system is in a deranged condition, she may be predisposed to apoplexy, or congestion of some organ. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when a woman's great change may be expected.

These symptoms are calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

Mrs. Estella Gillispie

ONE CASE OUT OF MANY TO PROVE OUR CLAIMS.

St. Anne, Ill.—"I was passing through the change of life and I was a perfect wreck from female troubles. I had a displacement and bearing down pains, weak fainting spells, dizziness, then numb and cold feelings. Sometimes my feet and limbs were swollen. I was irregular and had so much backache and headache, was nervous, irritable and was despondent. Sometimes my appetite was good but more often it was not. My kidneys troubled me at times and I could walk only a short distance.

"I saw your advertisement in a paper and took Lydia E. Pinkham's Vegetable Compound, and I was helped from the first. At the end of two months the swelling had gone down, I was relieved of pain, and could walk with ease. I continued with the medicine and now I do almost all my housework. I know your medicine has saved me from the grave and I am willing for you to publish anything I write to you, for the good of others."—MRS. ESTELLA GILLISPIE, R.F.D. Ballard's Snow Liniment

Is a Healing Remedy for All Ailments of the Flesh of Man and Beast.

The speed with which this splendid liniment heals up a bad wound or sore has surprised and pleased those who were accustomed to the slower and uncertain effect of less powerful remedies. It mends the lacerated flesh so quickly that there is but little time lost from work. In relieving rheumatic pains, neuralgia, sciatica, it has done and is doing a wonderful work. Many chronic victims of these diseases have found to their great satisfaction that it cures an attack in a fraction of the time required by the ordinary treatment. It is equally effective in the flesh ailments of animals. Owners of blooded stock value it highly for two reasons: It heals sores and wounds quickly, and leaves no disfiguring scars. This remedy is needed in every home. If its great power and efficacy was generally known, no family would be without it.

Price 25c, 50c and \$1.00 per Bottle.

Sounds Made by Fish.
The skate, when caught, grunts, groans and gasps pretty much after the manner of a human being in distress. Carp and gold fish frequently utter curious sounds, but hardly sounds in the meaning of the term here used, inasmuch as their sounds are produced by approaching the surface of the water and blowing out air in bubbles until a rippling noise is heard.

Almost a Miracle

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. "Brighten Up" Week

SHERWIN-WILLIAMS
PAINTS AND
VARNISHES

THIS is "Brighten-Up" week---the time for a genuine, old-fashioned house-cleaning---made easier by modern appliances and labor-saving helps. It is not only the time for cleaning and scrubbing and polishing, but for brightening up the home with paints and varnishes and making it permanently cheerful and cozy. It's surprising what a lot you can do with a can of paint, varnish or enamel, a brush and a little energy. That old floor, your soiled and scratched woodwork, the dingy cupboard---all these can be made clean and new, if you use the proper Brighten-Up Finish.

And don't neglect the outside of your home. Painting not only makes it look fresh and neat, but protects the wood and metal from decay and rust, lengthening the life of the building. Of course, the important thing is choosing the paint which looks best, wears the longest, is the easiest to apply, and affords the greatest protection for the money. Poor paint is dear at any price. We recommend Sherwin-Williams Paints and Varnishes because they are scientifically made from the purest materials. Regular colors, price \$2.25 per gallon---worth more.
